SEVA AT HOME PARTNERS WITH TOP CORPORATE WELLNESS COMPANY EVEXIA TO PROVIDE DOCTOR CONSULTATIONS, HEALTH CHECKUPS

The healthcare-at-home company, Seva At Home, will extend its doctor consultancy services to the organisation and its corporate clients.

Nashua, New Hampshire (20 February, 2022): Seva At Home has announced that it will extend doctor consultancy services to the employees of Evexia Solutions Private Limited (Evexia), one of India's top corporate wellness organisations, and their dependants, along with the company's corporate clients.

With the growing emphasis on the role companies can play in enhancing their employees' health, many corporates are adopting more healthcare plans for their workforce and their family members. With this partnership, employees of Evexia and its corporate partners will be able to avail special health packages that cover extensive checkups and further consultations post that. They will also be able to consult well-being coaches who can help them through mental health problems that they may be facing.

"Our employees are the backbone of each and every single thing we do, and offering them the means to holistic care is a way to support them. We are proud to partner with Seva At Home to bring this healthcare solution to our workplace; through such a partnership, we can make more strides to adopt preventative and holistic healthcare plans, thereby creating a healthier workforce," said Dr. Akash Sharma, Director, Evexia.

"We are excited to be a partner in this venture as companies take strides to support their employees. Creating a more resilient workforce and improving overall well-being should be a priority for all companies, and we're proud to be working with Evexia, a company that feels the same way," said Mr. Atul Kishore, CRO, Seva At Home.
